Fremont Rotary Club

Fremont, Nebraska 68025

Chartered 1919

Be a gift to the world

Is it the truth?

Is it fair to all concerned?

Will it build good-will and better friendship?

Will it be beneficial to all concerned?

The Spokesman

The 22nd Day of January
in the year of President
Gary Bolton 2015-2016

Darrell Puls is hosting today's program

Presenter: Dr. Greg Haskins

Greg attended Millard High School, then the University of Nebraska, Lincoln. He earned his medical degree from the University of Nebraska College of Medicine, class of 1979. Dr. Haskins served an internship at the university's Department of Internal Medicine and then a residency in the Department of Ophthalmology, also at UNMC. In 1984 he moved to Fremont and founded the Fremont Eye Associates.

Dr. Haskins is a Board Certified Ophthalmologist with interests in cataract surgery and glaucoma. He has outreach clinics in Blair, West Point and Pender where he also performs cataract surgery.

Greg and his wife, Mary, enjoy living in Fremont where they have raised their three children, Andy, Dana and Katie. They are the proud grandparents of three. Both Greg and Mary are active in many organizations here in Fremont and love supporting the community. In his spare time Dr. Haskins enjoys hunting, golfing and spoiling those three grandkids.

OPEN FOR BUSINESS...

PROMEDCARE is a local business, owned and operated by Lynn and Cindi Lamprecht of Fremont. The motto of PROMEDCARE is: "Keeping You Healthy, Happy and Safe at Home."

Recent statistics indicate current baby boomers will double and individuals 85 years and older will triple in population over the next 20 years. Also, nursing homes are becoming more expensive, and due to a reduction in reimbursement, hospitals are dismissing patients earlier than in the past. In addition, most individuals would rather stay in their own home rather than go to a retirement facility when they retire or need additional care.

Within the PROMEDCARE business model, services include:

- 1. Non-medical in-home personal care to perform duties such as:** Cooking, cleaning, errands, bathing and transportation.
- 2. Durable medical equipment:** Oxygen, CPAP, wheelchairs, walkers, crutches, lift chairs, canes, etc.
- 3. Home modifications:** Under the direction of a Certified Aging in Place Specialist, the client's home is assessed and modifications are suggested for individuals to live safely within their home. Items such as: grab bars, ramps, vertical platform lifts and stairlifts can be installed by qualified personnel.
- 4. Home Safety Systems include:** Medication reminders and emergency pendants.
- 5. Nursing Home Placement:** If there is a time when PROMEDCARE services are unable to meet the total needs of the client, PROMEDCARE will work with the patients, physician and family to determine the best facility for the client.

For more information, please contact PROMEDCARE at 402-727-7900 or visit us on the internet at: www.promedcareinc.com
